Funds raised at the **Big Read In for Cancer Research** will benefit cancer research. We are most appreciative of their wonderful support.

Unfortunately, cancer is a disease that does not discriminate; it afflicts young and old alike. It is very encouraging to know that through research and the diligent efforts of so many, there are now new and effective treatments for cancer.

Your generous support will assist the Foundation in fulfilling its aim of supporting the most outstanding cancer research in Australia. Donations over \$2.00 are tax deductible and an official receipt will be issued by the Foundation.

Yours sincerely,

Kerry Strydom
